

Walpole Cemetery Trustees

Activity Log 2023

Trustees: Dale Woodward, Chair, Linda Edkins, John Sheldon

There has been a lot of activity this winter without any actual meetings since February.

February 23, 2023

Dale submitted revised cemetery by-laws to the selectboard outlining what the trustees had approved at our previous meeting. All points were well received. Ability to use some of the interest accumulated interest in the two trust funds was discussed. The trustees will prepare a warrant article for the 2024 for additional funding needs.

April 1, 2023

Dale toured the Village Cemetery and found a pile a branches at the base of a large pine tree. They were also on several stones. John solicited bids for removing the tree.

April 12, 2023

Dale met with Chad from Keene Monument to walk the Village Cemetery and put together an estimate to repair stones. The pine tree removal was discussed. Chad suggested having the damaged branches rather than removing the tree. John is waiting for the adjusted scope of work.

Respectfully Submitted,

John Sheldon, Clerk
