FIRE:

Chief brought to attention there was a missing check from payroll. Becca will look into this. No major problems in the Village. There was an evacuation of 10 residents on Cold River Rd on Monday evening. The Boat Landing is closed due to high water levels and may be reopened this evening or tomorrow depending on the levels. Vilas Bridge is closed due to dangerous water levels at the request of the PD. Chief has put up cones and directed people to stay off of the bridge. Chief turned in personnel file for new hire, Christopher Kopij. The subpoena mentioned previous meeting was due to the need of a copy of final inspection of a building. The subpoena was dropped once the documents were sent over.

WATER:

**No new alarms on water system.
Bob bled chemical pump and chlorine levels are fixed.
Pat ran samples for manganese this morning.
Ethan and Pat discussed chlorine and sodium permanganate levels and how to lower/regulate them.
Pat reached out to Aquatech to do the CCR reports for us and they will be reaching back out with a quote.
The meter head at the school is broken. Pat and Bob discussed possible solutions.**

Misc:

Patrick is looking into zoning ordinances after a few members of the Village have complained about certain properties.

Becca proposed to create a Village website apart from the Town of Walpole website. Everyone agreed this was a good option for the Village.
