

Walpole Cemetery Trustees Meeting Minutes

August 7, 2023

Present: Dale Woodward, Chair, Linda Edkins, John Sheldon

The Trustees met at the Town Hall to review a map of the New Cemetery to determine placement of future roads and the new Green Burial section. DiBernardo Associates provided Dale with a preliminary map indicating the boundary lines and current sections. Several ideas were discussed and it was decided to have a full plan of the new roads and future sections even though the sections will be completed as needed. The roads and sections were sketched onto the map. Dale will bring the map with our notes back to DiBernardo Associates to have them update it. Once ready, we will work getting bids for the road work.

Respectfully Submitted,

John Sheldon
