FIRE:

Chief submitted invoices totaling \$4,419.59.

WATER:

Ethan from Weston and Sampson sent over a proposal from Jason Babbidge from NEEM on the Parking lot pavement. As no company is interested in doing the work, he proposed giving a credit back to the Village, which would be the estimated cost for InfraRed Sealing and flattening, seal/coating and pavement remarking.

CCR Report was proofed last week and will hopefully be back tomorrow or Thursday. We will work on getting these and water rate increase letters in the mail for Friday.

Friday, June 28th, GPS/GIS Training with W&S. They will bring with them the new iPad and GPS unit. Becca is working on the ARCGIS information.

Been having a Low Reservoir alarm since last week's storms. We will reach out to Barrett Electric to see if they have any ideas on this.

Becca distributed the Water Rate Increase Letter for everyone to proofread. The draft was approved.

MISC:

Julie Rios asked if we got another dumpster if some materials could be thrown out. The Commissioners questioned if these materials could be donated to families in the Village before thrown away.

Katherine presented the final design for the Village flag.

Melissa brought up the need for a "how tall" sign on the underpass due to an incident that happened with a commercial vehicle the other day.

There was discussion about needing the speed sign back down on Church Street.

There was more discussion with the resident of Main Street with complaints, there have been steps taken to help them move in the correct direction.
